Prologue

To a nice boy

Dad Luth

Today's world is one of chaos, confusion, and despair. Present situations prevent many men from making a living. We are constantly hearing about rapid advancements in the scientific field, and just recently the experts have developed a bomb that could destroy many people. Statistics also show that about fifty per cent of all the people who enter doctors' offices are suffering from mental diseases. Communism constitutes another blockade in the lives of every individual. Therefore it is the obligation of the students of today to eliminate this chaos. A good philosophy of life and the technical knowledge which we have received from our education are the tools with which we must work.

SUPERINTENDENT . . .

The students of Ross High School are very proud that they have a superintendent who so well co-ordinates the various classes and activities. His efforts extend to us the opportunity to reach that goal which we hope to achieve. To you, Mr. Rupp,—our heartfelt thanks for everything you've done.

PRINCIPAL . . .

Mr. Cooper, our principal, is our closest associate during our school days. Being able to talk with him when we have problems is our greatest asset. He also encourages us to complete our various tasks to the best of our ability by watching our grades and keenly observing our school activities. With his guidance we face the future with confidence.

ASSISTANT PRINCIPAL . . .

As the students walk down the halls of Ross High School, they see the smiling face of their assistant principal, Mr. H. Randall Miller. To him is given the task of keeping attendance records and accepting many administrative duties of which we are unaware. With efficiency he fulfills his obligations. For this we are grateful to him.

VISITING TEACHER . . .

A familiar face in our school environment is that of Miss Thelma Hughes, the visiting teacher. One of her many responsibilities is the keeping of attendance records for the girls. If a boy or girl has problems at home, Miss Hughes will consult the parents and the friends of the person involved. An understanding of people enables her to assist students in overcoming their difficulties.

OFFICE SECRETARIES . . .

LEFT TO RIGHT Mrs. Letterman Mrs. Myers

When we walk into the principal's office we see the two secretaries, Mrs. Myers and Mrs. Letterman. Their constant efforts in our behalf are deeply appreciated by the students. Perhaps we just enter the office to buy a stamp or change a schedule, so we sometimes forget that without their efficient management, our school system would suffer. To you, the secretaries, goes our heartiest appreciation for every thing.

CUSTODIANS . . .

Any student will agree that he would not trade places with the custodians, because their job is not an easy one. Their daily tasks include the cleaning of all the rooms in the building, and the maintenance and repair of school equipment. We certainly appreciate the excellent job which they have done.

CHEERLEADERS . . .

These girls are responsible for creating a strong school spirit at the games and the other athletic events. Spending long hours and tedious work is part of their activity schedule. Mr. Schiefer is the adviser for the cheerleaders. Thanks to his tireless efforts and time Ross High School has a spirit and an interest in sports that is hard to beat.

THE BAND . . .

With patience and understanding, Mr. Stierwalt and Mr. Sells have led the band through another successful year. The spirit that the band music offers at the basketball and football games gives the students a feeling of satisfaction, and they realize that the band members are their spirit leaders. For many years our band has taken top honors in the state. Much of this credit goes to the directors. Their efforts are appreciated.

W. H. Kooistra, Director, and the members of the Junior High Choir are making the necessary preparations to enter the A Cappella Choir in a year or two. Part of this preparation includes the learning of the fundamentals of singing, which are taught by Mr. Kooistra.

It is these boys and girls who will some day lend their voices to the inspiring vocal programs we have come to expect from the vocal music department.

JUNIOR HIGH CHOIR . . .

The members of the Junior High Choir are making the necessary preparations to enter the A Cappella Choir in a year or two. Part of this preparation includes the learning of the fundamentals of singing, which are taught by Mr. Kooistra.

It is these boys and girls who will some day lend their voices to the inspiring vocal programs we have come to expect from the vocal music department.

ART CLUB . . .

Culture has become an element in society of which there is not enough. In order that a further interest in art might be obtained, an Art Club became a permanent organization in our school. Mainly, the purpose of this club is to study different artists and their techniques. From these studies the student receives a better understanding and appreciation of art. Assisting in these studies are the trips that the group takes to the art exhibits in the area. This club's activities are varied also since its members do paintings, sketchings, and work in the field of art.

Y-TEEN-SENIOR . . .

The Golden Rule might well be the motto of the Y-Teen Club. Girls to the sick and needy display the Christian attitude of the girls who are members of this organization. A cheerful giver is usually hard to find in the selfish world of which we are a part, but the girls in Y-Teens show an unselfish attitude when they do such things as making Christmas place favors for Memorial Hospital.

and preparing Thanksgiving baskets for needy families.

Some of these girls are also very active in the Y-Teen organization. Their participation is seen in some of the other activities of the year, such as, the Valentine contest, the Mother-Daughter Banquet and the conferences they attend.

HI-Y . . .

The development of the Christian character of boys is the purpose of the Hi Y organization. Success in later life depends a great deal on the character which a person develops during his high school education. Mr. Doren, who is the advisor for the boys, ably assists them in the club's program. One of the most important dates on the calendar for the Hi-Y boys is the Valentine Dance which is sponsored jointly by the Hi Y and the Y Teens. The occasion ranks as one of the social events of the year.

LIBRARY STAFF . . .

A good reader is judged by the books he reads. In order that students may gain a variety of information on several subjects, the Library Staff sees that new books are added to the collection and that these books are kept in circulation. Our librarian, Mrs. Turner, is both capable and conscientious. Much difficulty lies in the management of a good library. We should be very proud to have an excellent library where we have spent many pleasant hours.

CHATTER STAFF . . .

The primary duty of this group of students and their advisor, Mr. Tooley, is to edit the school paper. The responsibility and labor that is part of a task of this sort is unknown to most students and teachers. Printing the news and the important happenings concerning the high school comprises the main work of the paper. Not only are sports included, but also the various other fields which have a definite place in our school program. The Christmas edition this year was eight pages in length, the longest issue that has ever been published. Promptness and accuracy are two qualities of the members of the group. Being helper and an active force behind the staff is the job of Mr. Tooley.

Preparation for the positions on the Chatter staff are obtained from the information which the sophomores receive when they are cubs. Opportunities are given to them in collecting and writing stories, advertising, and the circulation of the Chatter. When they become juniors and seniors, they are ready to accept the assignments which are given to them and take their positions as full-fledged reporters. School paper students spend three full years before graduation.

Taking the pictures, pasting them in the annual, writing the copy, and compiling all the necessary articles and snapshots are a few of the many duties of those who are a part of the yearbook staff. Memories will linger with you a long time; therefore, we attempt to place in the book all those pictures and stories which we think you will remember the most after you graduate. This task is by no means an easy one. Advice and assistance are received from Mr. Tooley, the annual advisor.

Every time you attend a school function, such as a school play or a concert the programs which you read have been written by these girls. Helping them with their work is Mrs. Chester. One of the large undertakings of the year for this group is the Magazine Drive which requires the time and efforts of every girl on the staff. There are not found in our progressive world of today many places where labor is done by hand. Machinery is used instead, and these devices save man much time and energy. FUTURE FARMERS OF AMERICA . . .

Agriculture has always been an important field. Becoming properly acquainted with the different phases and new advancements in agriculture is the job of the F.F.A. program. Initiative, co-operation, and satisfaction are the rewards of active service in the farming program. Green Hands, Chapter Farmer, State Farmer, and American Farmer are the four degrees of membership. Recognition that life on the farm can be made richer and fuller motivates these boys in their study of the latest in farming methods.

THE GRIDIRON

Akron South

Fremont's Little Giants opened their 1954 football season September 17 by defeating Akron South 25-7, at Harmon Field. Points were scored on touchdowns by Ward Sewell, Haldon Black, Jim Tiller, and Bebe Schneider plus an extra by Bill Smiley. South, one of the toughest openers in the history of football at Ross, managed to score only one touchdown. Block and tackling on the part of the Little Giants was very sharp.

Lorain

Ross' spirited Little Giants came back in the fourth quarter to score 14 points in a thrilling 14-13 victory over the Lorain Steelers September 24 at Fremont's Harmon Field. Fremont's TD's came in the fourth quarter to overcome a 13-0 half advantage held by Lorain. Bebe Schneider scored both touchdowns with Bill Smiley converting the extra points.

Sandusky

Sandusky's Blue Streaks handed the Ross Little Giants their second defeat of the season 13-0. Played at Strobel Field October 15 in Sandusky, the Little Giants had to fight not only the Blue Streaks but the mud and the rain. Sandusky's first TD was scored on a Ross fumble that was recovered by Sandusky behind the Little Giant's goal line. Both squads were hampered by a ceaseless rain and mud.

Fostoria

Six to nothing was the verdict handed out by a spirited Fostoria team to the over-confident Little Giants in a tussle that saw the Redmen victorious for the first time in 11 years. In the game, played October 1 at Harmon Field, the only touchdown was by McClung of Fostoria.

Findlay

The Fremont Little Giants behind the terrific running of Haldon Black and Henry Tiller, roared back from defeat to trample the Findlay Trojans 34-0, October 8, at Findlay. Haldon Black scored two TD's in the first half and two in the second. Henry Tiller scored two in the second and Bill Smiley kicked three extra points.

SEASON . . .

Lima

The Little Giants gained possession of the ball but were stopped in their TD bid by a fumble. Time was running out and Lima attempted a long pass which was intercepted by Jim Tiller. With less than five seconds to play Schneider completed a pass to Jim Tiller for the final TD.

Akron East

Ross' Little Giants hammered out their fifth win of the season Thursday, October 28, by defeating Akron East 27-13, at Harmon Field. Ross' first TD was scored by Jim Tiller. This was followed by a TD by Schneider and one by end Horace Sewell. The final touchdown came on a one yard buck by Ward Sewell. Bill Smiley completed two placements.

Marion

Fremont's Little Giants tromped out a 21-7 victory over the Marion Presidents. The game played at Harmon Field, November 5, saw good running and sensational blocking by a rugged Ross squad. Ross' first TD came on a three yard buck by Haldon Black. Jim Tiller made the other two TD's on runs of 44 and 50 yards respectively. Bill Smiley completed three out of three extra point attempts.

Toledo Scott

Fremont's Little Giants romped to their seventh victory of the season by defeating Toledo Scott 51-19, November 12, in the final game at Harmon Field of the 1954 season. Jim Tiller made four of the TD's, Jim Sale scored one, Henry Tiller ripped across for one and Haldon Black added two to the efforts to the Little Giants. Ross completed two extra points attempts.

CROSS COUNTRY . . .

This year's cross country team is the best team Ross High has had in the past 15 years. With emphasis placed upon individual effort, many of the boys ran as much as three or four miles every night. This effort paid off as Ross won two dual meets by beating Toledo Waite and Attica, and

placed second and third in two triangular meets. Ross placed second in the district contest and twelfth in the state cross country meet. This year's team was paced by Dick Stevens, 18th in the state, Jim Hasselbach, 27th, and Dick Beal, 35th.

GIRLS' SWIMMING CLUB . . .

The swimming club has retained the name of "Aqua Maids", which was chosen last year. The girls meet at least one night a week and practice their many stunts and routines which will be used in their annual water show. After selecting popular songs which coincide with their theme, the girls demonstrate the stunts and routines that fit the beat of the songs. Other features of the girls' schedule include the participation in the Sports' Night show and the Purple and White swimming meet.

Try outs for the "Aqua Maids" which are limited to senior high girls, consisted of a skill test, four standard strokes, and various water stunts.

These dances sometimes are done to the beat of the drum. Other important events on the Modern Dance calendar are the part in the G. A. A. assembly and in the Sports' Night program.

PATRONS . . .

The members of the 1955 Yearbook staff are very grateful to those who contributed to our book. Without their help it would have been impossible to publish the Croghan Yearbook
